Dear Patient,

I am writing to you today to inform you that I will be leaving the Santa Monica Eye Medical Group as of June 26, 2009.

It is hard for me to believe that 31 years have passed since I came to Santa Monica. I have truly enjoyed my association with you and my other patients and will miss you all. However, it is time for me to go back home to New York to be closer to my family. I will be joining an ophthalmology group on the south shore of Long Island.

My experiences here have been very rewarding. I appreciate having had the opportunity to work with such fine people, and I send to you my best wishes for continued health and happiness.

Doctor Sadiqa Stelzner, the new owner of the Santa Monica Eye Medical Group, and her associates Doctors Candice Chen and Peter Kappel as well as other potential associates, will be available here to continue working with you. I feel very confident that they will provide state-of-the-art quality and compassionate eye care to our patients.

Sincerely,

A handwritten signature in cursive script that reads "Jay Gross, M.D.".

Jay Gross, M.D.
