To my patients,

I am writing this letter to inform you that I have resigned from Santa Eye Medical Group and will no longer be seeing patients there.

Over the last few years it has been my great privilege to participate in the care of so many wonderful people and I am truly grateful for every interaction I have had with you. During my time at this practice, I have gained such tremendous fulfillment from the trust you have shown in me by letting me into your life and your wellbeing. In our lengthy medical training, we are all taught the skills to become good doctors, but it is only in the actual practice of medicine and interaction with patients that we transform from technician to physicians. I want to express my most sincere thanks again for helping me in my journey.

For continuing care, I strongly recommend to all of my patients to see either Dr. Sadiqa Stelzner or Dr. PJ Kappel.

Thanks again for everything.

Warmest Regards,

A handwritten signature in black ink that reads "Candice S. Chen".

Candice S. Chen M.D.
